KEY FACT DOCUMENT

VALUE CHAIN FINANCING

Nature of the Product	Key Features	Interest Rates & Other Charges	Procedures to be followed to obtain the facility	Main Terms & Conditions
designed to bridge financial gaps for stakeholders (producers, processors, suppliers, distributors) involved in the production chain. It enhances their operations and facilitates smoother interactions across the chain, adding value at each step. By providing solutions to stakeholders, VCF can address either capital expenditure	 Producers gain better access to inputs and technology. Processors benefit from a steady supply of raw materials. Distributors can expand markets with assured supply chains. Retailers enjoy more reliable stock flow and improved product quality. Why Value Chain Financing Better access to finance (simplifies lending for small and medium-sized enterprises (SMEs) and other stakeholders who might otherwise face barriers). Enhanced collaboration (builds trust and strengthens partnerships along the chain, minimizing supply disruptions). Risk management (distributes risk across the value chain, reducing reliance on any single stage). Sustainable growth (enables all links in the supply chain to grow sustainably and enhance profitability). 	For more information, you can contact our Call Centre at 011 5 411 411 or visit our bank's website at https://www.sdb.lk/en/rates .	Visit or contact your nearest SDB branch. How to Get Started Identify your position in the chain (understand your role and potential financing needs). Choose the required financing option (assess your needs and select the appropriate solution, whether working capital (WC) or capital expenditure (Capex).	The main terms, conditions, and financial package of the proposed arrangement under the VCF module will vary depending on the nature of the project.
